Application: susanne.paschke@suedwind.at, 0043 1/405 55 15 310

The project

The EU education project "Get up and Goals!" has been implemented by Südwind Tirol since the beginning of 2018. Together with other organisations from European partner countries (Italy, the Czech Republic, Ireland, Portugal, Great Britain, the Netherlands, Spain, Hungary, Romania, Poland and Bulgaria), this project aims to raise awareness about Global Citizenship Education and Sustainable Development Goals (SDGs) in formal education.

In September 2015, all 193 member states adopted the 17 Sustainable Development Goals (SDGs) at the United Nations General Assembly. For the first time, countries of the global South and the global North have committed themselves to working together towards comprehensive goals. In Austria, all federal ministries were mandated to implement the 17 goals by a decision of the Council of Ministers in January 2016.

This event is conducted with the support of the European Commission. The contents are the sole responsibility of Südwind and its project partners and can in no way be taken to reflect the views of the European Union.
